FOOD ASSISTANCE COVID-19 PANDEMIC

what is limiting Pittsburgh families from getting enough food?

- Food is sold-out at supermarkets
- Parents are afraid to take kids into stores
- Food delivery is too expensive

According to the Family Strengths Survey

Food assistance is the top family need during the COVID-19 pandemic.

20% of families rely on food assistance programs more than they did pre-pandemic.

And 10% would benefit from even more help getting food for their families.
