Title of teaching session	Role	#Learners/Yr	Total Hrs/Yr	Year(s)
APP Bootcamp “Basics of Abuse for APPs”	Presenter	30	4	2019-present

Curriculum Development/Teaching Products:

Being Well Health Series Educational Handouts:

Being Well is a collaborative effort of the UPMC Children's Hospital of Pittsburgh and the Pennsylvania Child Welfare Resource Center. A series of 15 health and wellness handouts prepared on topics directly related to children is available at the following website: <http://www.beingwell.pitt.edu/index/html>.

Title of Handout	Number of Downloads
What is a Well Child Check?	98
What is Neonatal Abstinence Syndrome (NAS)?	55
What is Diabetes?	20
What is Fetal Alcohol Spectrum Disorder (FASD)?	12
What is Down Syndrome?	10
What are Allergies?	8
All About Eye Health	7
What is Cerebral Palsy?	7
What is Cystic Fibrosis?	7
What are Lice, Scabies, BedBugs?	7
What is Developmental Dysplasia of the Hip (DDH)?	6
What is Attention Deficit Hyperactivity Disorder (ADHD)?	5
What is Respiratory Syncytial Virus (RSV)?	5
What is Dental Hygiene?	3
What is a Urinary Tract Infection (UTI)?	2

Educational Leadership:

Course Director:

Fourth Year Child Abuse Elective
Division of Child Advocacy
UPMC Children's Hospital of Pittsburgh

Created elective, developed curriculum, and became first course director of the child abuse elective for medical students.

Child Welfare Resource Center Podcast Creation Coordinator:

Dr. Eichman researches topics, creates scripts, collaborates with expert guests, and orchestrates the taping of the podcasts.

State of Pennsylvania Child Abuse Preceptorship Faculty Coordinator:

CHP physician leader for the American Academy of Pediatrics (AAP) Pennsylvania Child Abuse Preceptorship, a competitive, 60-hour preceptorship for medical professionals in Pennsylvania who are interested in becoming local child abuse experts.

Mentoring:

Mentee Name	Mentor Role	Context	Year(s)
Matthew Valente	Career advisor	Residency	2014-2017

Michael Certo	Career advisor, Clinic preceptor, Scholarly Project Mentor	Residency	2016-present
Margaret Russell	Career advisor	Residency	2020-present

RESEARCH

Non-Funded Research:

2/2018-Present Quality Improvement Project – Number 1549 “Templated reporting form for child abuse”
 Creation of a form to guide physicians in the CHP emergency department in filing Childline referrals with the goal of improving the effectiveness of these referrals. The QI project proved that there was a statistically significant improvement in the quality of Childlines filed after the template intervention, and that this improvement was sustained over time.

LIST of CURRENT RESEARCH INTERESTS

Toxic stress, intimate partner violence, early childhood education
