## PROFESSIONAL ACTIVITIES

### TEACHING

#### Medical Student Teaching:

|  |                |
|--|----------------|
| Small Group Facilitator, "Scientific Principles of Medicine," Penn State College of Medicine, 8 first year medical students, 12 sessions | 9/2018         |
| Small Group Facilitator, "Humanities," Penn State College of Medicine, 8 first or third year medical students, 5 sessions                | 2018 – 2019    |
| Third Year Medical Student Mentor, UPMC PRIME Enhancement of Medical Skills, 3 medical students, 3 sessions                              | 2020 - Present |

#### Resident Teaching:

|  |         |
|--|---------|
| Morning Report, "Pruritic Rashes," UPMC Pediatric Residency, 10 interns and medical students   | 8/2019  |
| Morning Report, "Hepatobiliary Manifestations of EBV," UPMC Pediatric Residency, 30 residents  | 1/2020  |
| Morning Report, "Hemolytic Thrombocytopenias," UPMC Pediatric Residency, 30 residents  | 7/2020  |
| Child Advocacy Morning Report, "Community Supports during COVID 19", UPMC Pediatric Residency, 6 interns and medical students                                    | 11/2020 |
| Zitelli Chair Report, "A Mimicker of Pseudohypoparathyroidism Type II: Vitamin D Deficiency", UPMC Department of Pediatrics, 100 residents, fellows, and faculty | 1/2021  |
| Pregnancy Options Counseling, Workshop and Training for Pediatric Interns, UPMC Pediatric Residency, 2 sessions, 17 pediatric interns                            | 4/2021  |

## RESEARCH

1. *Endocrine Outcomes with Craniopharyngiomas* 2020 - 2021  
Mentor: Dr. Selma Witchel and Dr. Natalie Baldauff  
Retrospective chart review of pre-operative, perioperative, and post-operative endocrine course for patients who are status post craniopharyngioma resection.
2. *Attention Deficit Hyperactivity Disorder: Barriers to Medical Care among Children 6-12 years of Age* 2016 - 2017  
Mentor: Dr. Benjamin Fogel and Dr. Deepa Sekhar  
Retrospective chart review, phone interviews with caregivers, statistical analysis, and manuscript.
3. *Actin Filament Associated Protein 1 is a Novel Regulator of Glucose and Lipid Metabolism* 2014 - 2015  
Mentor: Dr. Jess Cunnick and Dr. Youngjin Cho  
Maintained a colony of 200 mice, conducted glucose tolerance tests and insulin tolerance tests, prepared PCRs, ELISAs, Western blots, tissue lysates, tissue extractions, and organ collection, and completed undergraduate honors program thesis.
4. *Effects of propolis and gamma-cyclodextrin on intestinal neoplasia in normal weight and obese mice* 2014  
Mentor: Dr. Darina Lazarova  
Maintained mice colony, extracted murine intestines, prepared histopathological samples, and manuscript.

## SERVICE

- |   |                |
|---|----------------|
| UPMC Pediatric Residency Intern Boot Camp Planning Committee  | 2020 – 2021    |
| <ul style="list-style-type: none"> <li>• <i>Developed list of ideal learning topics for interns and scheduled weekly noon conferences directed towards intern learning.</i></li> </ul>  |                |
| UPMC Pediatric Residency Recruitment Committee  | 2020 – Present |
| <ul style="list-style-type: none"> <li>• <i>Biweekly meetings to strategize new recruitment techniques during a pandemic, to organize resident interviews and interview dinners, and to promote our residency program.</i></li> </ul> |                |
| UPMC PRIME: Pediatric Residents Interested in Medical Education   | 2019 – Present |
| <ul style="list-style-type: none"> <li>• <i>Elected to PRIME Leadership Committee in June 2020</i></li> </ul>   |                |

- *Helped develop a new initiative called Enhancement of Medical Skills which is a one-on-one mentoring opportunity for residents interested in medical education to work with a struggling medical student to improve their clinical skills.*
  - *Organized a monthly journal club focused on medical education literature*
- UPMC Pediatric Residency Wellness Committee 2019 – Present
- *Organized biannual wellness weeks for peers*
- UPMC CHP Falls Task Force 2020 – Present
- *Monthly meetings with a multidisciplinary team including nursing leadership, safety team members, and physicians to discuss falls and preventive strategies within Children’s Hospital of Pittsburgh.*
- Northway Christian Community, Nursery Leader 2020 – Present
- *Serve as a nursery volunteer twice a month during Sunday morning worship.*
